
Marker: called (below floor and closer)

- called on both tests (0)
- called on early-passage test only (80)
- called on GTEx test only (5)
- called on neither (255)

Stored counts of 340, chance expectation 17.0 each:
early-passage test: 80 called
GTEx young test: 17 closer, 5 called
The GTEx test transplants a single-cell displacement onto a bulk GTEx origin.
